GENERAL ADMINISTRATION (PU.A) DEPARTMENT

G.O.Rt.No.192 Dated: 02.02.2022

YSR Jalakala Programme is one of the flagship programmes under the NAVARATNALU of Government of AP. The main objective of the programme is to drill bore wells at free of cost to small and marginal farmers in all 13 districts of the State by optimally utilizing the water resources for the purpose of irrigating every acre of arable land and to utilize the ground water resources for improvement of livelihood of the farmers.

2. Accordingly, the Government have issued guidelines to provide Motors/ Pump sets and energization of the bore wells drilled to small and marginal farmers under this programme. Energization of all the bore wells dug under JALA KALA scheme has to be taken up on priority basis as non- energization may result into compromising of the investments made till now.

3. After careful examination, Government here by order that all the DISCOMS located in the State to take up energization of the bore wells dug under the JALA KALA scheme without waiting for advances being released from the Government. The DISCOMS should not wait for release of budget as pre-condition to start the process.

4. The Panchayat Raj & Rural Development Department shall take necessary action to release the budget to DISCOMs at the earliest.
